

Rider Julia Oschewsky Band:

vocals / acoustic guitar:	Julia Oschewsky
electric guitar/ backing vocals:	Antonio Molina-Moya
piano / hammond organ (leslie) / wurlitzer:	Jaco Benckhuijsen
doublebass / electric bass / trombone / backing vocals:	Pat Cleaver
drums:	Stefan Franssen

If available we would like to use your (grand) piano on location.

We can bring 3 of our own microphones:

2x Shure (Sm58, Beta), 1x Neumann Kms105

For the trombone and his backing vocals Pat can of course use the same mic.

If possible we would like to use 3 mic stands (for the vocals) on location:

If necessary we can bring 2-3 ourselves.

DI's:

bass amp has „direct out“, no Di needed

for keys: probably also no Di necessary

if so, we prefer 1 mic in front of the amp and 2-3 for the leslie

acoustic guitar over P.A. (Di)

We bring amps for keys, bass and guitar ourselves.

We need 2-3 monitors.
